

# MASTODON FAIR SCIENCE SAFETY FORM

This is the only safety form required if your project DOES NOT involve any of the following research areas.

- Firearms
- Human subjects
- Vertebrate animals
- Controlled substances including tobacco products
- Potentially hazardous biological agents including: molds, human or animal tissue, blood, etc.
- Chemicals either liquid or solid (exception: water)
- Potentially hazardous equipment such as lasers, welders, etc.
- Radioactive substances or radiation producing equipment

If your project does involve one of these areas, then you must submit the appropriate ISEF forms instead. See <http://www.mastodonfair.org/science/k-8/registration-is-open/> for more information.

This form may be submitted by the following in the Mastodon Fair Science competition with exhibit if your exhibit does NOT involve any of the above research areas.

- Grades K-5 must submit this form with their exhibit by the close of Exhibit Check-In.
- Grades 6-8 who have not turned in ISEF safety forms by March 1 prior to the Fair may submit this form in lieu of ISEF safety forms by the close of Exhibit Check-In but will not be eligible for Broadcom Masters competition.
- Grades 9-12 who have not turned in their ISEF safety forms by Nov. 30 prior to the Fair may submit this form in lieu of ISEF safety forms by the close of Exhibit Check-In but will not be eligible for ISEF competition.

**Student Name:** \_\_\_\_\_

**School Name:** \_\_\_\_\_

**Exhibit Title:** \_\_\_\_\_

**Exhibit ID Number (obtained from Online Registration):**

\_\_\_\_\_S-\_\_\_\_\_ - \_\_\_\_\_

I, the undersigned, do certify that the exhibit listed above does not involve any of the aforementioned research areas. I also know that use of this simple safety form may prevent me from being selected for special awards and further competition. In the case the exhibit is found to involve any of these research areas and require additional forms, the undersigned has the following options:

- 1) Complete the necessary additional forms by the close of Exhibit Check-In to be eligible for awards.
- 2) Remove the exhibit from the competition.

I also certify that a responsible adult will supervise my child's activities during this experiment.

**Signature of Parent/Guardian:** \_\_\_\_\_

**Date:** \_\_\_\_\_

Email a SIGNED PDF copy of this form to [ScienceDirector@mastodonfair.org](mailto:ScienceDirector@mastodonfair.org) by March 1. If you do not email a copy by March 1, then you must bring a signed printed copy with the exhibit to Exhibit Check-In.
