

Hats on for Mastodon Fair

Hat Day Fundraiser

Dear Parents & Students,

Our school will be participating in a fundraiser in which students can wear a hat to school on _____(date) for a donation of \$____ or more. All proceeds will be used to pay for student exhibit entry fees for the Mastodon Art/Science Regional Fair which will take place in March at Jefferson College in Hillsboro.

The Mastodon Art/Science Regional Fair is an annual art and science competition which encourages our students to excel in STEAM (Science, Technology, Engineering, Art, & Mathematics) subjects. There are several thousands of dollars in scholarships and prizes awarded to the students that participate in the art & science competition. This fundraiser is an opportunity for the students in our school to participate in the Fair by helping to cover the cost of their entry fees. More information is available at www.mastodonfair.org.

Please encourage your student to participate in both the Mastodon Fair & this fundraiser.

On _____, _____, 20__
Bring \$_____ to school & put your Hat on for Mastodon!
