

Mastodon Art/Science Regional Fair

For students entering 6th - 8th grade

July 10-13

9:00 AM – 4:30 PM

Jefferson College Hillsboro

\$175 for all 4 days
(\$150 for early enrollment)

Camp will include these engaging project-based activities:

- Forensic Science
- Prototyping with a 3-D printer
- Designing "Tensegrity" structures
- The science and mathematics of Solar eclipses

Fee includes t-shirt (for registrations by June 22) and campus tours of STEM related areas of study and equipment. Students must bring their own lunch (microwave available).

Limited to 15 students, so register today!
